PROFILE

II am a highly skilled front-end developer with a passion for coding and design. With expertise in HTML, CSS, Tailwind CSS, Bootstrap, WordPress, Wix, Elementor, React, and React Native, I specialize in creating visually stunning and user-friendly interfaces. Whether it's developing responsive websites, customizing WordPress themes, or building cross-platform mobile applications, I strive to exceed client expectations by delivering high-quality results. I have a strong eye for design and a commitment to writing clean and efficient code. With my dedication, creativity, and strong communication skills, I am confident in my ability to contribute to the success of any project.
